FORMULA YACHTING
BEST BY FAR!

ONCE YOU CHOOSE THE PRESTIGIOUS FORMULA 45 YACHT, you're in for the best of times. Formula integrates all the features you like best in a smart, versatile design that's as practical as it is impressive. Double helm seating, comfortable portside and aft U-shape lounge in contrasting textures plus a safe center walkway to the foredeck all ensure truly enjoyable yachting ventures. The complete entertainment center, versatilé lounge tables that lower to create a larger sunning area, along with stainless drink holders at every turn, confirm Formula's position in the forefront of marine design. You'll receive photos as your dream yacht advances through production, or arrange for a tour of our factory and personally observe your yacht's progress – we would love to host you.

THE 45'S NEWLY DESIGNED COUPE TOP presents elegant, sleek lines extending aft, and the integrated SureShade™ system upgrade automatically fulfills your preference for sun or shade. Also new for 2015, a forward cockpit glass enclosure beautifully integrates all the features you like best in a smart, versatile design further in the designer's seat with the full range of Pantone® accent colors. Imrons®, Garnet and Moonlight Silver. With FormulaFlex™, statement with all new B and Vision Graphics along with new Metallics.

THE YACHT CABIN perfectly reflects your inspired flair through personal selection of residential cabinetry finishes, hand polished upscale Corian counters, attractive flooring surfaces, luxurious Ultraleather™ upholstery and beautifully coordinating fabric options. Choose your cabin décor from rich Latte, sophisticated Midnight Blue, the ever popular Morning Sand or urban influenced Graphite themes plus the elegant designer upgrades of Ralph Lauren® and Tommy Bahama®. All satisfy a broad scope in décor possibilities, further expanded with FormulaFlex. The complete galley invites all presentations from light refreshments to gourmet meals and features a lighted glass front cabinet displaying stemware and tumblers. The U-shaped lounge along with twin swivel stools surround a genuine inlaid wood table. The forward master suite is centered by a queen size memory foam bed and provides a private head with separate shower compartment. The private guest suite aft offers a mirrored vanity sink and head with shower. The twin beds also expand into queen size for inviting good nights.

IT'S TRUE – WE DON'T BUILD FOR THE MASSES, but we do build for YOU. You'll probably never see another Formula exactly like yours. That's what sets you apart. And that's what makes your Formula boating even more rewarding. Reset. Revive. Refresh. To times forever remembered the place you loved to be.

FORMULA –
YOUR BEST YACHTING
BY FAR!

FORMULA PRESENTS THE 2015 LINE OF BEST DESIGNED, BEST BUILT PLEASURE BOATS ON THE WATER TODAY. THROUGH FIFTY-FIVE PLUS YEARS OF ONGOING ADVANCEMENT IN MARINE MANUFACTURING, FORMULA’S TRADITION OF EXCELLENCE CONTINUES TO SURPASS EXPECTATIONS WITH THE ULTIMATE GOAL OF PROVIDING CONSISTENTLY gratifying EXperiences ON THE WATER WITH FAMILY AND FRIENDS.

Since 1976, Formula has been 100% owned and managed by THE PORTER FAMILY. The Porters’ focus on continual product improvement throughout the line, from the smallest Sun Sport to the superlative 45 Yacht. A dedicated team of employees do their best every day, combining premium materials with detailed, top and finish to achieve the extraordinary standard of quality, required in a Formula.

AS LIFELONG BOATERS, the Porters realize the importance of responsive, customer-oriented service for owners, addressing issues through area dealerships, authorized service centers and the technical assistance team located at the manufacturing facility.

THE FORMULA DIFFERENCE

THE PORTERS invite you to join the ever-growing family of boaters who experience a REASSURING DIFFERENCE WITH FORMULA. That difference is the result of fine-tuned design, authentic craftsmanship and a companywide insistence on excellence. It means you'll enjoy more priceless moments with family and friends each time you boat. The Porter family wouldn't settle for less and neither should you!
LAMINATION PROCEDURES

- Computer programmed cutting produces custom ply fiberglass and Coremat® shapes
- Hand-laid composites and resin carefully layered with optimal cure time in thoroughly maintained molds
- High shear strength Corecell™ in first two hull layers – no barrier coat needed as with lower grade resins
- Every square inch at its best from start to finish
- Solid, enjoyably smooth ride

SUPERIOR STRUCTURAL REINFORCEMENT ASSURES LEGENDARY PERFORMANCE

- Yacht matrix—a unitized fiberglass grid bonded to the hull with Plexus® adhesive
- Matrix foam-filled for vibration dampening and solid ride
- Additional structural reinforcement—custom fiberglass shapes or pulsations along gunwales
- Duck and hull inseparable chemical Plexus yarns, stainless steel bolts through heavy backing plates

VIBRANT, LONG LASTING FINISH FAR SURPASSES ALL OTHERS

- Premium, Ashland MaxGuard® LE gelcoat – the base on all Formulas
- Unique Axalta™ interior graphic paint process never chalks, fades or needs to be hauled back like the colored gelcoat community-used
- Brilliant metallic designs – impossible with gelcoat
- Stunning graphics with no accent tape striping applied
- Wide selection of color and design options – unlimited personalized color expression with FormulaFlex™ MyWay™ upgrade

GENUINE CORIAN COUNTERTOPS – NOT AN IMITATOR

- Advanced blend of natural materials and pure acrylic polymer
- Uniquely hand-crafted by Formula
- Remarkably durable, seamless surface
- Nonporous and easy to clean – stains do not penetrate

LUXURIOUS ULTRALEATHER LOUNGES WITH SMART ULTRASUEDE® LUMBAR CONTRAST

- Perfect setting for relaxation and entertainment
- Richly textured-appearance and supple feel of fine leather
- Surprisingly tough and durable – spills wipe up easily

THE FORMULA CABIN – A SUMPTUOUS RETREAT

- Luxurious UltraLeather® lounges, beautifully finished cabinetry, upscale Corian® surfaces and solid wood tables for a pleasing residential environment
- Four standard and two designer décor selections feature draperies and pillows that enhance each theme – even further personalization with FormulaFlex
- Your choice of custom quilted bedspread with reversible pillow shams, linens and embroidered towel sets
- Woodgrain-finish flooring and wood entry steps complement your selected cabin décor
- Wall and ceiling panels fit precisely – no tell-tale bead or screw cap covers to mask shutting assembly

FLAWLESS, HIGH-GLOSS CABINETRY – A FORMULA STANDOUT FEATURE

- Solid, precision construction at its core
- CAD/CAM routers cut, drill and shape materials for exacting assembly and fit
- Cabinetry constructed with thru-bolted aluminum and stainless steel extended L-brackets
- Extended L-brackets secure cabinetry units to the hull
- Cabinet doors remain closed underground with perfect joinery and top-quality locking latches
- Drawers are all premium dovetailed hardwood maple construction

FORMULA ELECTRICAL SYSTEMS

- Connections individually hand-crimped and heat-sealed with double-wall shrink tubing using corrosion-resistant tin wire
- Never use less reliable, preinsulated wall shrink tubing using corrosion-resistant tin wire
- For longer runs, color-coded wiring neatly routed through flexible, protective conduit
- Easily reset ETA® circuit breaker shield systems from excess current damage
- Heavy-duty marine-grade AGM house batteries installed for added reliability
- Engines equipped with dedicated dual starting batteries

THE FORMULA DIFFERENCE

- Best from start to finish
- Only the best components make it into a Formula
- Supreme durability – no problem areas
- Formula tests extensively for quality and endurance
- If a proposed item fails, it won’t be in your Formula
- All wiring is low carbon, stainless steel—highest marine grade available
- All stainless custom cleats installed with stainless lock nuts and backing plates
- Virtually all hardware is 316 stainless, superior to merely electropolished, lower grade stainless
- Hardware thru-bolted with chrome-plated stainless fasteners rather than tapped aluminum plates
- Inventing flexible EPDM grommets makes a watertight seal
- Cabinet doors remain closed underground with perfect joinery and top-quality locking latches
- Drawers are all premium dovetailed hardwood maple construction
FORMULA COCKPITS LEAD IN VERSATILITY AND CROWD-PLEASING COMFORT
