# FORMULA – EXCELLENCE EXPECTED... and Delivered!

**THE DECISION TO CHOOSE EXCELLENCE** enhances our lives in ways we could never imagine. While many may lay claim to it, only Formula delivers the excellence you have come to expect. Whether you choose a versatile Formula Performance Cruiser or Yacht, extraordinary times are certain to be ahead.

The Formula fleet combines your favorite features in a clever, versatile design that's as practical as it is beautiful – double helm seating, a safe center walkway to the foredeck, comfortable portside and aft wrap-around lounge with filler cushions, entertainment wetbar, convertible aft facing sun lounge and an available larger swim platform. Contemporary design elements including contrasting textures and integrated blue LED lighting add interest, while stainless railings and drink holders set in eye-catching Corian® all confirm Formula's position at the forefront of marine design.

The possibilities are endless with Formula. Select your preferred options or design your ultimate, personalized dream boat with FormulaFlex™ to tailor graphics, upholstery and electronics to your liking. When you order your Formula you have the opportunity to work with our sales team and project engineer directly or visit our headquarters for a truly immersive experience as you make your vision a reality. Enjoy receiving photos as your personalized dream boat advances through production, plus a complete set of photos at delivery. Want a more involved view? Arrange for a tour and personally observe your boat's progress – we would love to host you.

Graphic choices abound for 2020. A and B graphic selections for the PC and Yacht lineups set the stage for two new Metallic hullside colors in Midnight Sapphire and Caribbean Bay, adding fresh options for personalizing the stunning Formula silhouette. And with FormulaFlex, accent colors are interchangeable, rewarding those with creative imagination and a perceptive eye. MyWay™ upgrades put you further in the designer's seat with the full range of Pantone® and automotive colors at your fingertips. Want your Formula to match your vehicle? Or your alma mater? Or the color of her eyes? You can with FormulaFlex MyWay.

2020 cockpits feature striking gelcoat colors on the dash, wetbar and table, providing a dramatic setting for the Dark Woodgrain, Charcoal Woodgrain, or Liquid Black dash panels and upscale Corian surfaces. Enjoy how FormulaFlex gives the ability to choose upholstery colors in every model to further communicate your individuality. Multiple USB charging ports, Bluetooth and blue/white courtesy lighting are standard

on all models. The stunning blue LED cockpit lighting package is standard on the 37, 40 and 45 and an option on the 31 and 34, plus the JL Audio® luminous blue LED lighted cockpit speakers are standard on all models.

The 45 Yacht's coupe top offers sophisticated, smooth lines extending aft, while the integrated SureShade™ system upgrade automatically pleases your preference for sun or shade over the convertible aft-facing sun lounge. The available forward cockpit glass enclosure stunningly extends cabin benefits with complete climate control while maintaining your panoramic view from the luxurious UltraLeather™ portside lounge.

The Formula cabin is the ultimate haven where you can experience the finest while echoing your inspired style through personal selections of cabinetry, Corian surfacing, flooring and fabric options. Three all-new cabin themes of Stone Harbor, Pearl Bay and Coastal Dune give you room for your designer eye to break the mold. UltraLeather choices, open-grain and high-gloss cabinetry finishes plus many flooring options offer a broad scope in décor possibilities. FormulaFlex allows the enjoyable experience of designating pillow, drapery and bedspread fabrics from beautifully coordinated collections. You'll celebrate in all the extra detailing of your chosen model.

The complete 45 Yacht galley invites all culinary presentations from light refreshments to gourmet meals and features a lighted glass front cabinet displaying stemware and tumblers. The U-shaped lounge along with two stowable stools surround a genuine inlaid wood table. The forward master suite is centered by a queen size memory foam bed and provides a private head with separate shower compartment. The private guest suite aft offers a mirrored vanity sink and separate head with shower. The twin beds also expand into queen size for inviting good nights.

Your time on the water is important, so with Formula, you can expect each experience to be a moment to remember with family and friends. Whether you have a few hours or a weekend, there's a Formula model for you. Choose a Performance Cruiser or Yacht model to discover the best of boating.

The perfect Formula for you is waiting to be created. Take the helm and personalize your dream boat for your dream day on the water! Your unique Formula sets you apart and makes your boating even more satisfying than you expected!
